The Lady:

Very friendly, lithe, good looking, English blonde with naughty laugh and an ass to die for. Loves to have her tits fondled, apparently!

The Story:

Unfortunately on Sunday you have to make do without the usual efficient maid service you get used to from Pat or Liz in the week (only joking Debbs). Still I luckily managed to get in to see Debbie's new girl by the skin of my teeth as she was in great demand.

Jade had been doing quite a few fantasies that afternoon and I was subjected to a number of costume changes as I sat waiting. She's very pleasing to the eye and seems to enjoy herself. After a pleasant time watching the poor maid rushed off her feet trying to cope with the demand I got into the room with Jade.

We started off with a nice massage, first on me and then on her. She's got quite a fit bod (unlike me) and it was a pleasure to massage. Obviously with all this mutual touching things moved on to a more intimate nature. Very nice oral (covered of course) and sex was really good. Must have the shower next time as I gather Jade is quite accomplished at this, and I think I will get her to try Debb's Genie Outfit as well ;)

Jade was very good company and very nice to chat to as well. She enjoys a laugh and will no doubt get booked up very quickly on the days she works at Debbies. So phone early and don't leave it till late or you'll get turned away.

Mmmm Jade, Sundays will never be the same.
