The Story:

I was overjoyed when I found that Patrice had returned to Sandy's having spent an amazing time with her on a previous visit
This time due to a slight mix up with the booking arrangements I was offered one and a half hours which I had no problem with as I would happily spend all day with Patrice
After waiting in the room for a few minutes she walked in dressed in a short white dress and remembering me from my last visit immediately gave me a long and passionate kiss before before we sat down on the bed and I noticed as her dress rode up she was not wearing any panties we then fell back on to the bed for more intimate talk while we slowly undressed each other
When I am with Patrice the experience is a very sensual and intimate in the way she goes about it also no sense of rush as if you had known her for years I personally find this a great turn on
After we were both naked she got up and turned the lights down and when the low light reflected of her body she looked absolutely gorgeous and I felt what a privilege to be with such a wonderful lady
Next while looking directly into my eyes asked if I would like oral to which I readily agreed she then took my cock deep into before working on it with my tongue while pushing a finger up my bottom something I have never experienced before and when she touched what I believe is the male G spot I can only describe the feeling as unbelievable and it had me moving around the bed in pure pleasure.
It was not long before I could feel the juices rising in my cock when Patrice asked me finish my self off into her mouth as she found this very erotic. Moments later I exploded into her mouth which she held for sometime before discreetly spitting it out on to a tissue there followed more kissing and caressing before our time together came to an end
As I walked back downstairs I felt like I was floating on air this feeling is still with me as I write this report which is written from the heart

Finally I would to personally thank Patrice for giving me a most amazing unbelievable time and it wea the greatest to be in the company of such a wonderful person Love and kisses Peter xxx
