### The Premises:

my hotel room, in newcastle

### The Lady:

Very attractive, young looking red head, very nice body and breasts and dressed very smartly. This was good because of the hotel I was stopping at.

### The Story:

I wouldn't say victoria is quiet, just very softly spoken. Like the other reports state, once the clothes were off, she was like a wild animal. Very, very energetic, she was excellent especially at OWO and "A" which she did in lots of different postions. If only I had the time and energy I would of got her to stay longer.

All in all, the best experience I have had and very VFM.
