The Story:

booked in to see jade based on website and field reports.i've never been to karens before so was hoping for the best but expecting the worste.all i can say is that jade was more than i was hoping for.she is one of the best women i've met while on my frequent travels to manchester(maybe the best).for me her service was spot on,a mix of girlfriend and mistress.jade was a pleasure to spend time with,she's at ease with the job,knows why man come to see her ,and makes sure that they go away happy.jade really is a superstar.she told me that she has worked at karens for 4 years.my only gripe is that i don't meet her 4 years ago.
