The Premises:

Nice clean flat near to Gloucester Road station. No problems with entry.

The Lady:

19 Year old blonde with fantastic boobs and a great figure, met me at the door in a revealing bra and panties.

The Story:

Started with french kissing, I soon undressed and carried on with more kissing then had the bra off, wonderful boobs to kiss. she wriggled out or her panties to reveal a shaven pussy. She then kissed my body and gradually worked down to my cock which she took into her mouth and gave me this great BBBJ. She asked if I wanted to cum in her mouth, I said not just yet lets have some sex. On went the condom and she sat on top of me, had trouble getting me in as she is so tight, eventually I went right in to squeals of delight and a surprised look on her face, I am reasonably well endowed. Had sex in four positions before taking off the condom and she then went down on me, I came in her mouth, she swallowed the lot, absolutely fantastic. After cleaning up there was more kissing before saying goodbye.
