The Premises:

As previous report - I like WFB. There's no rush to pucker a girl and you can chill before getting down to business. I've always found the receptionist very plain speaking, friendly and helpful, qualities which I personally like.

The Lady:

Patrice is well documented. She's a top class girl who provides a top class service. Definitely one of my top 3 punts of all time.

The Story:

I'm glad Patrice is back. I'd seen Santana a few hours before (Patrice was busy, but this is no disrespect to Santana as she provided an excellent service), but I had to book in with Patrice. The service was as good as I remember, even though it's been over a year since I saw Patrice. Lots of French kissing, licking and sucking before sex in lots of positions. We ran over time, but this is typical of the excellent service Patrice provides.

Sandy's have lost one of their brightest stars and this is definitely WFB's gain.
