### The Premises:

Her hotel. Lodge type - good parking & easy discreet access

### The Lady:

Pretty red-head (strawberry blond??)with quiet intelligent manner; reminds me of Millais or Burne-Jones girls

### The Story:

Seen Victoria several times now. Often find a 3rd meeting disappointing but not this.

At first Victoria gives the impression "butter wouldn't melt in her mouth" but once the clothes are off she is an enthusiast.

Great technique & knows her way round the male bod.
