### The Premises:

Very clean, not in a brilliant area of the midlands however flet very safe, her flat was upstairs in a maisonette.

### The Lady:

Helen is a large lady but not big, she is voluptuous and very clean, blonde dyed hair and nite tits and good arse.

### The Story:

After looking on her website and being informed that the only way to contact her was via text i was dubious, but after the text with her phone number I spoke with her and arranged a meeting at her flat. She informed me that the text service was for her own safety and she gets more genuine punters now.

Well I was certainly not let down when going to see her, after a nice slow massge and a statutory tickle of the balls, she gave the most wonderful oral sex, then went to the mish position and finished off having anal sex which was very good. Did not feel rushed at all and she said i could go again if i could manage it, but after such a wonderful arse shagging i was knackered. Got dressed and had a nice chat.

I will definatley go back for seconds with this lady, and guys please remember she is a lady.
