The Lady:

Unbelievably stunning young smart blonde lady, anyone looking for a beautiful slim pert young blonde lady look no further. Its jenny you want.

The Story:

This lady will make you feel at ease the moment you meet her. She is one of a kind and hard to find, so don't miss out on her.

She loves sex and that is a big plus as some escorts are just after the money.

Jenny was the first lady i booked from cheshire companions and i was a bit nery to say the least because there are no photos on the site.

I spoke to a lady called jane who runs the agency who asked what i was looking for, straight away she said jenny was for me.

All i can say is that if all agencys was run the same and had ladys that actually were what they were described as on the phone then look no further.

Cheshire companions is a must for all gentleman who wants what they ask for.

10 out of 10.
