One of the "stock" hotels in Newcastle, discreet and fine

The Lady:

Pretty and subtlety very sexy.

The Story:

Bit of a harassed start to the meet, difficulty in getting through on the phones, then appalling weather mean't I was running late and a bit harrassed by the time I arrived. Also managed to bizarely lock myself in the bathroom before we started and had visions of hotel management having to break the door down.

However, none of this was a problem for Victoria, who was charming and friendly throughout. Previous FRs can describe whats on offer better than I can, but just to say Victoria offers an excellent GFE and is open minded to making sure you get what you want to enjoy.

Will defintely book again when I have more time available.
