The Story:

I was tempted to see Pia after her nice reports here and I have to concur with all of them. She arrived in black lacy mini and stilettos as I requested, really short to show off her long shapely legs which was exactly what I wanted. She seemed totally at ease with me right from the start, has a very natural relaxed and outgoing personality and we soon got to grips with each other with some lovely embracing hugs and kisses. She has nice soft skin and did find my hands wandering especially around her fine peachy bum.

She felt really great whatever position we tried but as mentioned on her prev reports the one thing you won't forget is her wonderful OWO. She has a truly exquisite touch which left me gasping for breath and when she combined it with her delightful oral it was absolute heaven. The fact that she enjoys it really makes the experience all the more pleasurable. When I eventually came with the probably the most sensual HJ I've ever had, my legs were literally quivering afterwards.

Although a relative newcomer, Pia has already become a top class escort who really does know how to 'pleasure' a man and will surely be one of the most sought after ladies in the MK area.
