The Premises:

As always a warm welcome at Debbies and was offered drinks and snacks while I waited and chatted to 'Sam' the maid and Debbie.

The Lady:

Debbie provides a real girl friend experience which nevers feels rushed. The session started by french kissing and gently touching and carrasing each others bodies. Then on to the bed where feelings became more intense and lead to performing oral on Debbie. This was returned and finished off by climaxing via different positions including doggie.

The Story:

Gina the listed lady was not available but Sam offered Christina, filling in for short notice, when I phoned to make the appointment. However on arrival Debbie was very concerned about possible extra charges to a previous punter. My turn arrived and briefly met Christina who was then whisked away and sent home by Debbie for overcharging. Debbie then offered her own services- a offer which I did not refuse.

This just confirms my view that Debbies is not the usual rip off place but looks after its customers intersts as a prority.

Finally, 'Sam' looked suspiciouly like Arrena-who I saw about a year ago, but 'Sam' denied this. I will have to go back on a Saturday when Arrena is listed and check this out...
