### The Premises:

Hotel chain in a quiet area. With it being 2pm on a Monday there were very few people about. Felt absolutely safe.

### The Lady:

As described on the web site.

### The Story:

She is very softly spoken and has a great sense of humour. I won't go into detail of our time together though her description on the web site is absolutely accurate.

I have not written a report for years, but felt I had to, as I have heard the term GFE but with Victoria it is the first time I have experienced it.
