The Story:

My first foray into this scene was back in 1999 and although I have only started writing reports such as this more recently, I have had a number of memorable encounters since then. However, my 2 hours with Victoria will live longer in the memory than any of my previous experiences. Victoria is the most exceptionally well-spoken, polite, intelligent young lady I have had the pleasure of meeting. She is a great kisser, her oral skills are worthy of a first class with honours never mind an A* and the slow, intimate sex culminated in the two most intense, prolonged orgasms I have ever experienced.

I would like to say a big thankyou to Victoria for a superb couple of hours and a big thankyou to Natasha for helping to make sure things went smoothly. With rates of ?170 for 2 hours, this agency offers excellent value for money and I can't recommend Victoria highly enough.
