The Story:

She seemed convinced I'd blow out and left messages on my mobile and the hotel phone. She came in my room, removed her clothes and was, well, very thin. Gave a good GFE, nice kissing (something I thought I'd never do as I'm paranoid about catching colds and anything STD. Well, straight into OWO, (also on my own banned list) and then my tongue rolled around her clit for a while (3 banned acts-Charlotte is liberating!. "Do you like that, me playing with your clit" "ooh yes, I'm a woman" wooh yeah.

Threatened me against CIM then I shagged her from behind in front of the hotel mirror "You F@cking dirty b@stard" she said

Then, I saw everything looked very clean in the old "brown" but I really am not into poking prozzies in the tradesman's. We finished off just within the hour with me on top (sorry "mish") I don't think she really enjoyed it. On the phone there was talk of a second hour, but neither of us mentioned it. I got her though a yellow coloured "bargains" paper in the newsagent. That was what she was, good value for the money. My mate paid 300 for 2 hours with a stunner in the next room. Guess you get what you pay for. Damn
