The Story:

She came in the room dressed to kill and asked about my preferences. I love anal play and she really did give as much i could take. Sylvia inform me that was a beginner in that field but she did really well. She made me take some of the larger toys available in the flat and went even further and boy was she good !!

This was one of many visit to the retreat and my regular girl is Jenny but Sylvia was a real discovery Thank you Sylvia , you were fantastic....and see you very soon
