### The Premises:

Spotless and very nice. For a country boy a flash town apartment is always impressive. Very safe.  
Good parking

### The Lady:

As pics on website, lovely face and eyes

### The Story:

As others have said Cat can talk about anything and everything which I liked. Had a chat for a while to put me at ease and a drink. She can give a fantastic bbbj but doesn't swallow any more.

All in all a great way to brighten up a crap easter.
