### The Premises:

Tidy establishment due for expansion cant wait to see when finished.

### The Lady:

Tight firm body with beautiful kissable lips which she uses all over. Silicone enhanced boobs but whose complaining.

### The Story:

Paid an extra tenner for OWO well worth it she allows you to kiss like you are with a normal bird. Sucked me till I nearly popped, I then asked if I could pleasure her as it would have been all over in seconds. This she let me do and she loved it, she actually came. Thats a fact because when they do they are sensitive in that area for a short while. Finished off in mish and mash "quality".
