The Story:

Ladies who clearly enjoy what they do and ensure that you know it are always high in my estimation. Debbie is one such lady. A business transaction it may be, but she is going to be sure that you have enjoyed her skillful sexual activities and she will if you know how to treat a lady like her. I am not going to give a blow by blow account since each punter has his own needs, likes and dislikes. Debbie has always suited me admirably and ensured that I leave her establishment satisfied and smiling.
