### The Premises:

Nice block 5 mins walk from tube station ? flat Ok, bedroom only just big enough for two people but what are you planning on doing ? line dancing ?

### The Lady:

The pics are OK without being totally truthful ? her hair has been shortened since then, but trying to look sultry doesn't do her any favours. Stark naked and smiling, she makes your knees go weak and you know you are in for the time of your life. Susan of ATOC had been recommending her most strongly, and IMHO, Susan runs the best agency in town and is very rarely wrong ? certainly she has a star here.

### The Story:

Don't ask whether she is a great conversationalist ? there was never time to find out, although her English is fine for everything we needed to discuss.

After a beautiful shower together ? unlike ?programmed? WGs, she never batted an eyelid when I said she was coming with me ? I slowly explored her simply flawless body ? and to my delight she had a total Brazilian ? no stubble to contend with here. Laid her out on the bed and spent a lot of very pleasurable time giving her reverse oral and bringing her to a succession of beautiful orgasms ? she was totally relaxed and allowed me total intimacy ? very rare for a professional.

Sensing the mood, she reciprocated with a VERY slow kissing and licking session of me, using her tongue to gently stroke my very erect friend ? no vigorous sucking and wanking that you often get when they just want to bring you off and get rid of you. Having returned with my tongue to bring her to another shuddering orgasm, the clever girl slipped the condom on with her mouth ? a very nice touch and very erotic ? then up on her knees and into a magnificent session pumping against a truly beautiful rear.

Having had several very average punts recently, this has restored my faith in the ability of our EE friends to deliver what they are offering at excellent VFM. She is here for the next 2-3 months, I cannot recommend her highly enough.
