The Premises:

quiet location at the top of town, safe & peaceful. Her place was very clean & i was made to feel very relaxed with a cup of coffee on my arrival.

The Lady:

Tall slim brunete in her early 40s with lovely firm breasts and the hairiest pussy i have ever seen & she's proud of it & keeps it immaculate.

The Story:

This was not my first visit to pearl, as she really does enjoy her work & is always ready to please. She never has to use any lubricant, You get a good body massage then down to work, she loves her pussy getting a lot of attention, which i was pleased to oblige, there is no rush and i always enjoy myself.
