The Story:

It was Friday - my wallet was full and so was my sac! I'd wondered for some time what Charlize would be like, so I called City-Girls to see if she would be available 20 minutes from now. She was.

When I arrived the maid showed me in. I asked to use the toilet as I had a hair in my eye. When I removed it, the maid walked me to the bedroom. Charlize was already inside. WHACK! I felt like I'd been hit by a falling tree. She was a vision of loveliness - immaculately dressed in sexy black lingerie with black suede boots. Isn't it nice when a girl dresses in the same clothes that she uses for her professional photographs? I made a mental note to buy a lottery ticket as this was obviously my lucky day.

We sat on the bed and she politely listed her Do's and Don'ts. She does kiss and she does BBBJ. She doesn't CIM and doesn't do anal. That suited me perfectly.

I undressed and we started with an oily backrub with some judicious fondling of my sweetmeats. I raised my hips to allow her manicured fingers access to my tenderloins. As she teased and tickled my pork sword, I reached back and caressed her beef curtains. (I'm not a butcher in case you're wondering).

When I turned over, she massaged my cock with her fanny whilst giving my balls a reach around. At this point I noticed her pierced belly and her waist jewellery. All very sexy. She effortlessly moved onto a blowjob ? lovely and slow with plenty of tongue action around the head. She varied the speed and pressure to produce a variety of sensations. It truly was a beautiful sight to watch

Charlize with a mouthful of my pulsating man meat. Then she moved down to suck my nuts. This girl really knows her stuff ? great technique with plenty of inventive variety: all top drawer stuff.

She moved onto reverse cowgirl ? what a site: I'd rather watch Charlize?s fanny reversing on to my cock than be at home watching repeats of Friends. We briefly tried cowgirl before moving on to missionary so I could stare into her eyes and watch her tits sway in synchronicity with my pelvic thrusts. It was at this point that I became aware of how supple her legs were: her dancing heritage was plain to see. She had real bendy legs. I wish I'd asked her to do the splits on my cock so I could have spun her round like a helicopter ? maybe next time. I continued in mish for quite a while as I played with her legs and kissed her passionately. I glanced at my watch and noticed that my time was nearly up. I pulled out my cock and she wanked me off as I fingered her fanny. Within a minute I squirted fresh semen over her tanned tits. As I recovered, I watched the spunk on her tits trickle down to her nipples before dripping onto her thighs. This seemed to happen in slow motion ? probably because my mind was racing and my heart was thumping. This had been a good work out for the two of us ? I was sweating like a commuter on a bus full of muslim backpackers.
