### The Premises:

Victoria House as clean and welcoming as ever. I showered, had coffee and waited in the TV lounge.

### The Lady:

Rachael is a tall blonde girl with classy good looks. She wore a black tunic over a teddy & fishnets.

### The Story:

Rachael has had some mixed reviews on Punternet, with discussion on whether her good looks compensate for alleged lack of enthusiasm. True, she does not hop on and off you with the speed of Maria or Jordan, but every experience is different (thankfully) and her approach is more laid-back and gentle, rather than unenthusiastic. I had the usual menu of massage with chat, OW and sex in doggy and mish. There have been comments about her superb bum, but she could also cause a riot with her lovely legs parted in mish position. Well recommended.
