### The Premises:

Located on a main road next to a taxi cab firm which maybe off putting but there is a back entrance which is a lot more discrete. Inside is nice and welcoming, receptionist are very polite offering a drink, nice waiting room area. The rooms are adequate with all the stuff you'd expect en-suite, tv etc.

### The Lady:

Young attractive lady, nice figure, long brunette hair standing at roughly 5'7". Partially shaven, small tits.

### The Story:

My first time to this particular parlour, looking at the rota, was hoping to see Ellesse having seen her description on the website. Drove 2 hours to find out she is not working but Jessica is instead.

I am very choosy about the ladies I see and physical appearances and cleanliness is very important to me and fortunately Jessica fell into that category.

The service itself was unbelievable, some of the words to describe the service would be - very raunchy, pulsating, spontaneous and extremely satisfying.

I won't go into more detail than that simply because I believe the service also depends on how the lady finds the client. As I have certain standards I'm sure every lady does as well unless she is very versatile.

To finish off with, some advice for the parlour would be to maintain a good, fully-functional, up-to-date website. Other than that I like to thank you for a great time and the excellent hospitality. See you again nearer Christmas time.
