Web site description is accurate, both in terms of appearance and likes / dislikes. A very slim, petite young lady with a pretty face, gorgeous big eyes and a lovely smile.

The Story:

This was my second appointment with Anna and the first time I'd ever done an overnight session. What can I say, except WOW! Anna is very quiet and almost shy when you first meet her, but under that quiet exterior lurks an insatiable demon waiting to escape! Once we'd got to know, and trust, each other I found Anna to be very adventurous with a genuine enthusiasm for her work and a wicked sense of humour. Anna seems willing to try almost anything (but not Anal or pain) and with the luxury of time on our side, we tried almost everything! If you like dominant, big, "brassy" or older women, then Anna isn't the girl for you.

If you are looking for a quiet, shy girl and are willing to invest the time to get to know her well, you'll be rewarded with the experience of a girl who treats you like a lover rather than a client. In the morning, after a cup of tea and a quick shower, we relived some of the highlights from the night before until it was time to go. Anna was in no hurry to leave and kissed and hugged me goodbye. When I got home there was a really nice email waiting for me, saying how much she'd enjoyed herself. As I said, Wow!
