The Premises:

V.H. As good as ever, immaculately clean, hot showers, sauna, double jacuzzi etc.
Reception staff first class ? this place is simply one of the best.

The Lady:

Described on V.H. site as ?Tall, blonde, slim and sophisticated, with stunning good looks, and a film star figure? they got that right!

Rachael is a dream of lady, all the above, plus a great personality, & oozing sexuality; she is an educated true ?Lady?.

The Story:

I had booked in advance to see Rachael; in room one; I wanted to try the swing.

As I had arrived a little early, I took a shower, enjoyed a long session in the jacuzzi & had another shower.

Chatted to the maid, who was friendly & so matter of fact about the scene ? would make anyone feel at ease.

Up to the lounge to await Rachael ? a tall, well presented, drop dead gorgeous, sex bomb came into the lounge & introduced herself as Rachael ? you just know sometimes, you just know this is going to be good, & I was not disappointed!

Once in the room, Rachael gave an oil massage, which she performed after slipping out of her dress to reveal the body of a goddess, long legs, firm well proportioned perfect boobs, nice bum, long blond hair (in a pony tail), deep blue eyes, an absolute dream.

Skilfully she took me hand & in mouth (covered), as I was allowed to explore that fine body.

I had wanted this room to try the love swing, never thought that I would be the one to be sitting in it,

but I was, as Rachael performed mind blowing, (no pun intended) oral on me ? unbelievable, pure pleasure ?

Rachael then placed herself in the swing as I entered her slowly & gently at first, then more urgently ? this lasted for an age, but has to be experienced to understand, this lady is a delight to enjoy in this way.

Finished back on the massage table, with more oral & an explosive finish.

I have had quiet a number of good experiences with W.G?s ? this lady rates in the top 3 Gents, just try this experience, for that is what Rachael is "An Experience"

This lady is top class & is very good at her chosen profession - give her a try - you will enjoy.
