### The Premises:

Yes as Victoria House is always. Spa bath not in use today which was disappointing

### The Lady:

Slim with legs that go on for ever and soft cuddly boobs

### The Story:

Rachael gave an enjoyable back massage which soon became boring with no intimate area touching. There was no body to body contact as her stunning red basque did not come off, only rolled down to expose her boobs which she seemed to enjoy being sucked & played with. Her oral (covered) was deep & pleasant (I could not take that for too long) and then on to the swing. The sex was good with the right sounds coming from Rachael but was it genuine? I think it was judging from her face. Still a rather disappointing vist though but can recommend the swing!
