The Story:

I'd booked for 12 but had to wait for quite a while. I was told that Debbie was running late but would make it up to me and she did! I didn't mind waiting as the girl on reception was attractive, friendly and bright and kept me chatting.

When Debbie was free, she was true to her word. She was very welcoming with kisses and cuddles. I had the house special with shower (very nice), oral, 69, sex in various positions, and finished by hand. A wonderful unrushed experience. She has a lovely personality, a great body, knows what she is doing and can really make a man feel good. She makes you feel she is enjoying herself as much as you! I can see why she is so popular and one of the UK top 3. I will definitely be back.
