### The Premises:

Easy to locate and always a pleasure to step into. Spotlessly clean and perfectly managed by all. A well-oiled machine of perfect customer care and satisfaction guaranteed. I have always felt safe entering and leaving this establishment.

### The Lady:

I have been meaning to write an FR for the retreat for a while. To give back just a little of the sublime satisfaction I have enjoyed here by a great selection of beauties but I'm so glad I held out till I met Lisa. She is by far the best girl there in model looks, attitude, know-how, imagination, and her smile ..... and the fact that she read me so well. Lisa is a gift from the gods - a goddess of female perfection and a classy English brunette beauty who reminded me of Tera Patrick. The photos currently on the site are rubbish, she's way more gorgeous! Her body is superb with great breasts and the best ass in London and I've seen a few.

### The Story:

Lisa had me hooked from the moment she strode into the room in her thigh high shiny black boots and latex rubber 2nd skin in black which rode high up on her sexy hot ass showing off the contours to perfection. Her breasts were protruding from the high necked catsuit, two holes custom cut into the breast area to free her breasts for all to see - and torturous not to be allowed to touch until I was allowed a reward. We had a little talk about my preferences at the start then the fun began. She did things to me no-one ever attempted before. I liked especially the clips she placed over my sac and nipples placing them in such a way that when she whipped them they all flew off my tortured body in unison like dominoes, the pain was excruciating but the pleasure that followed was truly euphoric. Her imagination took me to a number of heights but spare me my blushes eh! Her anal play is also 2nd to none, the tricks this girl knows! Such was my desire for this goddess I went the whole hog for the 1st time ever with a call-girl and I can honestly say that Lisa was the best girl I have ever had in my entire 58 years. Lisa your one heck of a sexy dominatrix and I can't wait to break the rule of a lifetime and see you again and soon. This dom has taken The Retreat to an even higher level!
