The Premises:

The place is a basement flat. It is clean and tidy, which I think is important.

The Lady:

The description of the lady on the website is correct. The ladies face is covered, but she is attractive.

The Story:

The service was fine, but sadly there are no hugs or kisses. You begin with a massage which is fine. After that, she took off her bra and nickers to reveal a very sexy and slim body. Her nipples were ready to be sucked like a lollipop. The blowjob which is covered is a little tentative and hesitant. After that I came inside her.

From a personal viewpoint, I prefer a nice hug and kiss, without being rushed. You feel a little rushed, I just wish the woman had taken her time and we could enjoy that moment.
