As pictures on website, but prettier.

The pictures don't capture a great figure and a beautiful friendly smile.

The Story:

I've seen Sabrina a few times, she welcomes you in skimpy, see-through lingere' and amazing perspex platform/high heels. After taking advantage of the shower and sorting out the fee in the bedroom she prepares for a few minutes, then returns and gives a very sexy strip with much attention to her own nipples and pussy to reveal a beautiful body. High conical breasts with large pert nipples are in perfect proportion with a slim body and a lovely curvey bum.

If you have managed to resist helping her strip she turns her attention to you.

Her french kissing gives fair warning of whats to come. Her tongue has no hesitation in flicking, licking and probing. The promise is more than delivered when she moves lower, her OWO skills are wonderful. From delicate fast licking of just the tip to deepthroat which is both VERY deep and you can feel entering the throat - an amazing sensation!

It a pleasure to (try!) and return the attention to a sweet and delicate little shaved pussy.

Sex in various positions is as vigerous or slow and sensual as you would wish. CIM is available (subject to hygiene I suspect), She spits after, rather than swallowing, but its LONG after with more of that skilled and inventive mouth driving and prolonging you to greater pleasure!

I don't know if 'A' in on offer, its not something I have asked, possibly not - but she will rim you unless you stop her!

Her english is limited, but 'fit for purpose', but her attitude is friendly and sexy, with the skills to provide you with a sexual experience of pure unadulterated sensual delight.

Treat her well guys and she provides a very sexy and sensual companion for whatever period of time you share.
