The Premises:

Cosy basement flat which was neat and tidy, also easy to find just ten minutes from Maida Vale tube station.

The Lady:

She's absolutely gorgeous, you'll get an idea from her web pics but in all honesty she's so much better in person. Blonde, tall with the most fantastic firm body, covered in an all over tan, dare I say "sex on legs".

The Story:

Sabrina appears to only have two previous reports on here, 64839 & 66152, both of which are glowing. I am now adding a third equally glowing report. She's a fantastic companion being both incredibly sexy and friendly. We took turns in taking a shower before the action began in the bedroom. I won't be too graphic but as mentioned in previous reports she simply loves to DFK from start to finish. Her oral skills are nothing short of mind blowing, and she gives new meaning to deepthroating. Sex in any position you care to mention is energetic and enthusiastic. For the record I came to a most satisfying climax in her mouth, and she was sure to drain every last drop. The session ended with a lovely massage, and of course lots more DFK. Sabrina is just so wonderful and I cannot recommend her highly enough.
