The Premises:

This place is as safe as it gets, 100% safe: not been before, no SatNav, ring for directions, its not easy to find. Once there, get in without hesitation, you will be fine.

Clean & friendly, staff & the premises.

The Lady:

Very, very attractive lady, size 8, long blonde hair, all be it coloured, Emma is simply "Drop dead gorgeous?". Check out her eyes, so sexy guys!

When I had the pleasure? Emma was wearing fishnet stockings, a body/bask, matching thong: red/back (get the picture)?

As for her age, no idea, but trust me guys, she looks 20/ 23. matching thong: red/back (get the picture)?

The Story:

Quick shower, into my favourite room & awaited Emma.

Declined a massage, instead was treated to a "Sexy Lap Dance", but was allowed to breach the "No Touch" rule.

There then followed a good half hour of a truly Girl Friend Experience, this lady was fantastic; covered oral has rarely been this good.

The sex, in three positions was incredible; Emma made every effort to ensure that I was fully "Pleased"?

If you decide to visit this lady, take full advantage of the experience, look into her eyes, be respectful, & I assure you the GFE of your life.

She will never be a PSE, but Emma is a real GFE.

Get down there guys; she really is worth a detour off M1 Junction 28.
