The Premises:

Nice and tidy place shared with at least one other girl, about a 5 minute walk from warwick avenue tube.

The Lady:

As shown on the website, beautiful blonde, smaller boobs than I'd anticipated but lovely looking nonetheless

The Story:

If you're searching for proper deepthroat this is your girl; too often I've read a report with deepthroat mentioned and been disappointed - not this time. All the way down and you could feel it going down her throat. No gag reflex with this girl. Started with a lapdance/striptease and she was kissing me all the time, very enthusiastic, moved onto the oral as mentioned above then sex in all the positions I wanted then back to oral for CIM. Kept going as I came and didn't stop till she'd took the lot. Very affectionate afterwards and I'll definitely try to return as soon as funds allow.
