### The Premises:

This was the first time that i have went to Victoria's house since she moved from her apartment. The neighbourhood Parking felt safe. When arrived Victoia took me straight upstairs to the bedroom which was nice with a floor to ceiling mirror

### The Lady:

Victoria's pictures on the website are accurate description of her

### The Story:

Started off with oral on me which was good as I told her how I like and she took the instructions well on went the condom and we then moved into doggy position hard and fast until I cum. I then asked to suck me hard which she did and a cum in her mouth. Victoria is nice girl and is shy so guys need to let her know what you like to get the best out of time with her
