### The Premises:

Entry booth where you pay the room fee then a pleasant lounge and changing and shower area. Clothes go in a locker and put on a big toweling robe. You are introduced to the ladies and then go to a booth type room with a bed and bath lit in UV light and mirrored which is cosy and a bit as one would imagine a cubicle in a space ship.

### The Lady:

Sarah was about 24 with trim figure smooth skin and a lovely face and eyes. Dressed in sexy negligee she was one of three very fit babes available.

### The Story:

Sarah gave a brief but expert massage and I worked down to some oral on her sweet tasting pussy which she enjoyed. We then moved on to sex in missionary with her legs waving at the ceiling and an energetic finish in doggy. All in all a first rate session from a very pretty and intelligent girl.
