The Lady:

Amie looks great, her pictures don't do her justice. Petite, nice figure, well made up and dressed very sexily without being tarty. Amie wore a leather mini-skirt, black top, a bustier and black stockings.

The Story:

Amie was very welcoming. We had a chat for a while with a drink to break the ice. We went through to the bedroom and what followed was the full gf experience. Plenty of kissing and a slow mutual strip. Amie loves her breasts played with and has the most gorgeous nipples. She loves oral as well. We massaged each other and came to a delightful conclusion with her riding me in the cowboy position. Well worth returning to a delightful lady.
