The Premises:

Very Clean Discreet House in Washington with plenty of parking down the road. Very easy to find with the sat-nav.

The Lady:

As described many times before. Very nice looking lady with a very nice soft sexy Irish accent.

The Story:

Wow!. At very short notice I ended up working in Washington for the day, so I gave Nat at Notorious a ring and Victoria was available later that afternoon.

I knocked at the door and was let in almost immediately and was given a kiss by Victoria. I was shown upstairs and offered a shower which I accepted as I had been on the road and working all day. Meanwhile Victoria changed into her black Thigh High boots - very sexy!!

What followed was 90 minutes of kissing, great sex, great owo and lots of great chat and then even more great sexy fun. I found out we have a common interest in music and all things gothic which was great. The time flew by.

Victoria has been on my 'wish list' for a long time but as I now work away from the North East I thought it would never happen, but out of the blue I ended up in Washington and Nat at Notorious made the arrangements, as usual very efficiently.

Would I recommend Victoria? - Yes Definitely and Notorious Escorts are great. I am planning my next trip to the North East very soon!!
