The Premises:

Reasonable flat that probably could do with a lick of paint but more than made up by being greeted by a stunning slim blonde with gorgeous tight ass and big eyes

The Lady:

Tall, vey slim, small tits. Gorgeous bum and long stockinged legs.
Totally shaved pussy, couple of tatoos wondefully smooth skin.

The Story:

Wow! Been to plenty before and thought one or two Bristol girls were the best but this lady really know how to fuck!

She has lovely responsive nipples and her uncovered oral technique is out of this world (strokes and tickles your balls and asshole at the same time.

When it comes to actual fucking she rides like its just going out of fashion...Plenty of different positions, superb doggy!

Very friendly and chatty and after a short break rearing to go again...highly reccommended.

Will go back!
