### The Premises:

A nice discreet basement flat, very clean and pleasant. Upon entering you are welcomed by the maid, offered a drink and shown to one of two rooms to the rear of the premises.

### The Lady:

Tall, slim blonde, very elegant and beautiful. Easy to talk to and friendly relaxing character. A beautiful lady, the photos on the website do her no justice, although today she had just finished a four hour photo shoot and the new pictures will soon be on the retreat website.

### The Story:

Sam is new at the retreat and has a yearning to develop her BDSM interests. Although slightly inexperienced with certain implements in BDSM, after a quick explanation she delivers punishment with excellent judgment and relish. Sam is a softly spoken Mistress and extremely sexy. I asked her to wear Boots and a red rubber dress which looked absolutey fabulous with her long blonde hair. I am quite surprised that no one has submitted a report so I thought I had better make the effort and do so. I encourage all submissives to visit this young Mistress and provide a her with a subject to practice her new skills. You wont be disappointed.
