The Lady:

Pretty face and pleasant manner, short and petite but carrying a bit of baby weight still, and despite what other reports have said about 32E tits, they hit the floor once the bra was taken off, Anna admits this and is looking to get them enhanced in September.

The Story:

Started off with a nice massage and good conversation, opted for reverse oral massage so Anna lay down first and was already wet. Fingered her very tight pussy getting up to three fingers with Anna moaning nicely. Has a nice habit of jerking if you lick her clit the right way.

Then we swapped for a bit of oral and hand job before switching back to cum all over her tummy.

Not a bad punt - but if I had known how saggy the tits would have been I would have gone with Angie who has been enhanced but she wasn't as pretty
