### The Premises:

Fourth floor flat, but make sure you take the correct staircase/lift - it's right at the back. Adequate bedroom, ancient, somewhat tatty but spacious bathroom with a cantakerous shower. Nowhere to sit/chat apart from the bed - for this price I would normally expect a sofa/chairs, even a separate reception room. Safe.

### The Lady:

Exactly as website. Tall, nicely rounded, a real woman, not at all fat but not a stick insect. A charming, tres petite, embonpoint. But those boobs - soft, a lovely handful, pert nipples - I could go on.... Pretty much a Lady Diana lookalike - no bad thing in my book.

### The Story:

Soft gentle kissing - open mouthed, little tongue, but delicious. Just taking it easy and slow with her on top as I like it. Same with OWO, and she liked the return bout. Finished up between those lovely soft mammaries. Good wind-down chat - her English is pretty good. A real find for a lazy old once-an-hour chap like me.
