The Premises:

I've already descibed this place as i'e been here long ago, it's a clean and safe townhouse with a real "dungeon" inside.

The Lady:

As her pics, 100% naughty and open to everything.

The Story:

Sometimes i'm in the mood for a true GFE, sometimes for something more hot, well, for something spicy, Emma is a must. She ave me the idea that really loves her job. She had no problems to be humiliated or spanked, her blowjob was really good and her ass was tight. I have to come back with more time at hand to fully appreciate her.
