The Premises:

The City Girls/House of Divine Apartments. Very nice, easy to find, plenty of parking.

The Lady:

Stunning! Charlize is not conventionally pretty, but is simply stunning with an exotic air about her. Not a spare kilo on her, yet by no means skinny. Her pictures give a good impression, but fail to capture her allure.

The Story:

A gentle half hour of massage, mutual oral and sex, all leading to a satisfactory end. A great way to spend some quality time. Highly recommended.
