The Premises:

As usual the bloody congestion charge gets another tenner from me, safe in day but at night the area may be a bit sleezy?

The Lady:

Older than the photos and not as fresh or as firm looking in the flesh, these photographers!

The Story:

This was a non starter to begin with. Sweety was a typical cold eastern european ice maiden. No kissing, very reluctant owo, way too breif, DATY was cut short as there was a slight pong and bit of white goo seeping out...uurgh! makes me a bit qeezy thinking bout it now.

I finished off wanking a huge load over her tits and face which led to a string of what I can only assume as obcenities in Russian or Polish or Latvian or wherever!

NOt reccommended, there are so many other good honest EE girls out there that can really deliver the goods.
