The Lady:

As on her pictures. Slim, pretty, cute and very good looking :-)

The Story:

Was an afternoon punt on my way to a board meeting... Very limited English so no elaborating conversations. No matter how sweet and pretty she is, she is also inexperienced and you will have to take the lead at every single point - not what I like... Unfortunately not as good as expected but OK. You can get much better for ?150 in London today.
