### The Story:

Having read Milkman 1969?s Field Report 78063 on Mei, all I can say is that I am surprised. I have visited Mei several times and she is my number 1 at HOD. In fact she is the only lady there I have visited more than once.

Milkman 1969 is right that Mei seems more like mid to late twenties than 19. I am sure she is and I am glad about it. I would feel uncomfortable with a 19 year old and age brings experience ? and greater pleasure.

After every visit to Mei I have left with a smile on my face. Like many Thai girls she is very strict on personal hygiene. Even though I generally have a shower before I see her she still cleans me with a wet wipe before we start. Mei has the most gorgeous figure and I hope to see it many more times.
