Average. Could do with some cleaning and organising. Place is easy to find. Nearest station is Royal Oak and not Bayswater as Agency Barracuda puts it.

The Lady:

Lucy - Curvaceous Blonde with spots on her face. 5.5'

Katie - Fairly attractive brunette. 5.5'

The Story:

Very dissatisfied by this punt. Took a risk seeing these girls as there were no reviews for them. Came down to these two and 'Xena & Miki' from another agency. I decided to go with these as they were ?50 cheaper and how sorry I was to do so.

To summarize, these girls were just not up for the job. Not interested, Katie had been smoking and her breath was awful. No Lesbian show. Everything seemed to be a drag. No round two!!!! Clock watchers, I still had 10 mins to go and they asked me to take a shower.

They don't speak good English but you can forgive them for that as they are E.E girls. But for the money you are spending, you can get a looooooot better out there from better agencies.

All this pathetic agency had to say post my awful experience was that they were sorry. They even had the nerve to ask me to 'try with them another time'. Like thats going to happen.

All in all, Bad agency, Bad punt, Avoid at all costs.
