The Story:

I booked in for one hour at this party as I hadn't tried this sort of thing before and thought I would I'd be nervous. I ended up doing 2 hours as the girls were all stunners and the host guy made us all feel really welcome.

When I walked upstairs the girls were already licking each other out and it was a great show. I really liked the look of Lucy she has a hot body, cute and pretty. Claudie came to me first and started to give me a bbbj, which was great. I wanted to save myself so I went to get a drink and watch everyone else! It was a proper orgy!

There was a friendly atmosphere at the party and although there were quite a lot of guys the girls seemed to love it and didn't stop all afternoon! Lucy took me upstairs to the bedroom, which was great she is very sexy licking my balls and sucking me hard, she was soon riding me on top and I couldn't hold back any longer.

The girls did another lesbian show before I left where Sable fucked Lucy with the strap on from behind. It was excellent!

Thanks for a great time girls!
