The Premises:

Large first floor flat in a period building. The area is nice with plenty of shops and restaurants nearby and Annie keeps her place immaculate.

The Lady:

What you see is what you get with Annie, she looks just the same in person as the photos, and she oozes sex appeal.

The Story:

I've never written a report before but this lady deserves it. I was interested in a few girls on the Sexy Escorts website and Annie and Yuki were the two that truly took my fancy but with Annie's overnights being much cheaper I chose her.

Annie is like the perfect girlfriend, She cooked me a lovely dinner, she is good company and likes to laugh, and when it comes to the naughty stuff she is as good as it gets.

In the morning she made me breakfast before I left and we had some more fun times and then I kissed her goodbye. I left Annie's as happy as can be and then realised she wasn't actually my girlfriend. Oh well time to start saving as I can't wait to see her again.
